

# ETHERNET ALLIANCE POWER OVER ETHERNET CERTIFICATION PROGRAM

## GETTING STARTED

In a 2020 survey, 95% of PoE professionals said EA certification would influence their buying decision.

**Get started today to benefit from having your products EA Certified.**

### Step One:

Contact us at  
[poe\\_certification@ethernetalliance.org](mailto:poe_certification@ethernetalliance.org)  
to indicate your interest in the program.

1

### Step Two:

Visit [ethernetalliance.org/poecert](http://ethernetalliance.org/poecert) to download and submit:

- Certification Mark License Agreement (CMLA)
- Associated fees
- EA Membership (optional)

EA Members receive discounts on all product certification fees and the one-time CMLA fee.

### Step Three:

Submit new or derivative EA Certified product application and schedule testing:

- EA Certified Product application can be found at [bit.ly/ea-cert](http://bit.ly/ea-cert)
- Testing details available at [bit.ly/ea-test](http://bit.ly/ea-test)

3

EA Member companies are eligible to apply to perform PoE Certification Program 1st Party Testing

4

### Step Four:

Once approved, products are authorized to use the EA Certified logos and can be added to the EA Certified product registry.

- View the current list at [bit.ly/ea-registry](http://bit.ly/ea-registry)

EA Membership offers a wide variety of company benefits. For options, visit [ethernetalliance.org/membership](http://ethernetalliance.org/membership).

Visit [ethernetalliance.org/poecert](http://ethernetalliance.org/poecert) to learn more.

For further questions about the program, please contact [poe\\_certification@ethernetalliance.org](mailto:poe_certification@ethernetalliance.org).
